Dr. Roger Pinder
Scientific Development Group
Organon
Oss, Holland

Dear Roger,

I have made reservations to arrive at Schiphol at 1550 on Tuesday afternoon, February 22 on KLM 244, after a 1445 departure from Frankfurt; and also for the KLM 643 flight to New York, departing Schiphol at 1700 on Wednesday afternoon. (I can extend the latter for the next day, if that is useful for us.)

I would be grateful if you would arrange for a car and driver at Schiphol, and for a hotel in Oss for Tuesday evening. I will leave the programme up to you.

Thank you for the recommendation regarding the mianserin meetings in Ireland. I am scheduled to give a paper at the Society of Biological Psychiatry sessions in New York on April 29 - May 1. I have asked the Program Committee chairman to schedule the lecture during the latter two days, if possible.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
