Dr. J. A. Harris
Sandoz Pharmaceuticals
Medical Department
Hanover, New Jersey

Dear Dr. Harris:

Thank you very much for your cooperation with Dr. William Lang's request for LSD-25 for his animal studies. It was due to an oversight on my part that I had not made the proper request before leaving for Europe.

This study is part of the projects supported by NIH and the Division of Mental Diseases of the State of Missouri at this institution. Your cooperation is deeply appreciated.

Sincerely yours,

Max Fink, M. D.
