November 5, 1993

Sam Gershon, M.D.  
University of Pittsburgh School of Medicine  
Pittsburgh, PA

Dear Sam,

Attached is a formal answer to your inquiry, with some citations. There are other excellent reports which use the same methodology, and I can supply a more detailed list if you require it. The citations selected -- Lerer, Brandon, Sackeim -- represent our best scientific efforts of the recent decade.

My best to Lisl.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry  
and Neurology
