Dear Turan:

This is just a formal note to remind you that the symposium on "Anticholinergic Hallucinogen" at the Society of Biological Psychiatry will be held on Saturday afternoon, May 1, at 2:30 P.M. at the New York Hilton Hotel.

I would like you to present your material within twenty minutes thus allowing ten minutes of discussion. I am asking Dr. White to formally open the discussion of your paper and as soon as we have a preliminary draft I should like to send it to him.

I would like to have you join me as my guest for lunch at the New York Hilton Hotel at noon May 1, with the other panel participants so that we can discuss our program together.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
