

November 6, 1964

Mrs. Judith Miller
Missouri Institute of Psychiatry
St. Louis, Missouri

Dear Judy:

The bibliography has finally appeared and I am pleased to send you a copy. Without your help and that of your co-workers, I do not think it would have been such a successful bibliography. I hope, that we will be able to issue supplements to this supplement in the coming years.

Sincerely yours,

Max Fink, M.D.
Director
