Dear Dr. Mechoulam,

I can be reached at my home, (516) 466-5444 on the weekend of October 23rd and 24th.

I too was surprised at the response of SKF. Perhaps you can do something to change their mind.

I do hope that you will be able to do something with the long acting antagonists.

Sincerely yours,

Max Fink, M.D.
professor of Psychiatry
