Honorary Psychiatrist  
Department of Psychiatry  
Royal Perth Hospital  
Perth,  
Western Australia

Dear Dr. James:

During the past few weeks we have considered your application to the Institute with great interest. It has been my recommendation and you have been considered for a senior clinical position at the Institute. However, there is one qualification for our clinical position which you lack, and while I have made every effort to obtain agreement to disregard this, I have been unable to obtain such agreement. That is the satisfactory completion of the E.C.F.M.G. examination.

I would recommend that you sit for this examination, and we would be pleased to review your application again as soon as this qualification has been satisfactorily met.

Thank you very much for your interest.

Sincerely yours,

Max Fink, M. D.
