Gentlemen,

Following the advice of Mr. Anthony Cagliostro, we are writing to request participation of the Drug Dependence Treatment Center at the Veterans Administration Hospital, Northport, N.Y. in the Rockefeller University Methadone Data System. Northport VA Hospital is a Dean's Committee Hospital, and this program is operated under the professional supervision of the Department of Psychiatry of this University. We believe that such participation will comply with the existing regulations regarding reporting of our patients receiving methadone.

We would appreciate your advice as to the steps necessary for us to participate.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
