

June 6, 1966

Dr. V. Vitek
Rockland State Hospital
Orangeburg, New York

Dear Dr. Vitek:

I was pleased to receive your manuscript. The proceedings are being edited by Dr. Bradley and I will send a copy to him.

The abstract will appear, I hope, with the CINP abstracts.

If there is any problem with publication, I will get in touch with you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
