Dear Ed:

It is with great pleasure that I send you this copy of the first annual report of the Missouri Institute of Psychiatry.

Your help and guidance, both as a member of the Steering Committee, as Chairman of the Department of Psychiatry of Washington University, and as a member of the Foundation has been of unestimable help to George and me in developing this laboratory.

I shall always be grateful for your sponsorship and support and your encouragement on the many occasions when difficulties seemed to overwhelm us.

My best personal regards.

Sincerely yours,

Max Fink, M.D.
