Dear Mr. Sunderland,

The material that you requested in your letter of September 13, 1976 will require some work-- to summarize the reports and select the references. We would be glad to undertake such a review at the rate of \$100/hour, with an estimate of 10 hours for one that may meet your needs. I trust that this will be acceptable.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
