Miss Darby C. Grimes, Secretary
Andrew Berger, Ph.D.
Director of Education and Chief Psychologist
Oregon State Board of Control
Mental Health Division
Salem, Oregon 97310

Dear Miss Grimes:

Thank you for your flight reservations. Because I would like to minimize the amount of time away from the laboratory, I would prefer to leave St. Louis at 2:17 p.m. on Delta Airlines Flight 782 and to take Flight 51 with Northwest Airlines which arrives in Portland at 8:02 p.m. on June 24.

My secretary has confirmed these flights here. The return reservation is satisfactory.

Insofar as I will be coming late, I do not feel it is necessary for anyone to meet me. Would you please tell me what hotel or motel reservations you have made and I will proceed there directly.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
