Chicago 11, Illinois

Attention: Verona R. Hamilton, President

Gentlemen:

Thank you for your letter of June 16. We would appreciate your recommendations of candidates for possible appointment to this institute; however, the cost of such service would be the sole responsibility of the applicants, since this is a research institute and our programs are financed through grants and no funds are available for such service.

We shall be pleased to receive your recommendations.

Sincerely yours,

Max Fink, M. D.  
Director
