Dear Ed:

I very much regret that I will be unable to attend the National Drug Abuse Conference, as I am scheduled to be in Europe at that time.

I have no reservations in recommending my replacement at the New York Medical College, Richard Resnick, M.D., to substitute on my behalf. Should you approve, you may reach him at (212) 369-7900 or (212) MO2-1899.

My best wishes for a successful conference,

Sincerely yours,

Max Fink, M.D.
