Dear Dr. Cerletti:

First, let me commend you on a remarkably fine program at the CINP. It was a memorable meeting and my friends and I found the scientific and the social programs most rewarding.

While we submitted a copy of this report for publication, Dr. Polvan, Dr. Itil and I made a few corrections and added more appropriate citations in the enclosed copy. Would you please use this in the publication of the Proceedings and discard the prior copy (No. II)?

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
