Dr. Ivan Bennett
Eli Lilly Research Laboratories
Indianapolis, Indiana 46206

Dear Ivan,

Enclosed is a copy of a letter from the FDA requesting information as to the formulation of methadone, since I have just filed an IND to permit us to continue our studies in opiate dependence.

May I request a written authorization to refer to the manufacturer's formulation date for methadone as requested in their letter.

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
