

January 12, 1965

Mr. John Samet
1606 University Avenue
Columbia, Missouri

Dear Mr. Samet:

I am inquiring about the problem of summer fellowships. I will be away until the 25th of January and would suggest that you call me that afternoon and arrange to visit these laboratories so that I can get a better idea about your interests.

Sincerely yours,

Max Fink, M.D.
Director
