Dear Seymour:

In submitting the summaries to Dan Freedman for the Archives, I have attempted to meet his publication style and find that many references of the summary lack the last page of the citation.

I am enclosing a copy of the retyped references. Would it be possible for a member of your staff to check your citation lists for the complete reference and complete these? If they are sent to me, I can see that the corrected citations get to Lawrence Erlbaum and to Dan Freedman.

Many thanks.

Sincerely yours,

Max Fink, M. D.  
Professor of Psychiatry
