Miss Gertrude L. Annan, Librarian
The New York Academy of Medicine
2 East 103rd Street
New York, New York 10029

Dear Miss Annan:

Thank you very much for your prompt reply. I believe that I would be interested in participating in the Academy of Medicine as a Fellow. It is my recollection that a number of my teachers are Fellows, including Drs. Morris B. Bender and Hans Strauss. If a list of the Fellows may be made available, I would write to my teachers requesting their sponsorship (assuming that this is a proper procedure).

I am returning to New York to participate in the Department of Psychiatry at the New York Medical College on a full time basis.

Thank you for your assistance.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
