

June 2, 1970

*Dr. Oldrich Vinar
Psychiatric Research Institute
Prague, Czechoslovakia*

Dear Oldrich,

*Just a line to let you know that Prof. Kielholz,
the co-chairman of the symposium on amphetamines, has agreed to
summarize the proceedings of the symposium and co-symposium for
the final Plenary Session.*

My best regards.

Sincerely yours,

Max Fink, M.D.
