Dr. Nafi Kiremitci, M.D.
Ulus Kooperatifi Evleri
Blok 1 No. 20
Zincirlikuyu Cad. 1 Levent
Istanbul, Turkey

Dear Nafi:

Thank you for your recent letter and application to work in these laboratories. Dr. Itil and I would be pleased to have you join our staff. I will make a formal presentation to the Dean of the Medical School, just as soon as you write telling us when you would like to come, and that you have successfully completed the ECFMG examination. I am not clear as to what the problem has been in registering for the next examination, but I called the offices in Evanston, and they indicated that you are registered for the March exam. Good luck in your examination!

As soon as I have a letter of appointment for you, it will be sent on, specifying title, salary, etc. I look forward to having you join us late this spring or early this summer. My best regards to your wife.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry

MF:jm

P. S. Would you please send me a photo-copy of your medical diploma from Istanbul University, 1953?
