Dear Lou,

It was good to hear that you have reviewed the short-term psychotherapy programs and as I mentioned, I would be most grateful for a copy of your report.

The Walk-In Clinic in this Department has been operating on a six visit maximum for the past three years. We are now involved in trying to set up an evaluation study and we would be grateful for the opportunity to learn from your experiences.

Many thanks.

Sincerely yours,

Max Fink, M.D.
