Dear Dr. Lombillo:

Membership in the American Psychopathological Association is be recommendation by members of the Association. May I suggest that you look through a recent volume of the Proceedings of the Association, published by Grune and Stratton. The annual volumes contain a list of active members and you should feel free to contact any of them for a recommendation.

The next meeting of the Association will be on February 13, 14 at the New York Hilton and the subject is "Disorders of Mood and Affect". Non-members are welcome at a \$2.00 registration fee.

Sincerely yours,

Max Fink, M.D.  
Secretary
