Boston, Mass. 02124.

Dear Jonathan,

I met Dave Dunner at a meeting on Wednesday, and he asked whether we had decided on a hotel and the dates for the APPA meeting. I told him that I thought these would be decided at the Council meeting; but anticipating that occasion, would it be possible to have the subcommittee make the necessary enquiries?

I note Fritz Freyhan's acceptance of membership in the Publications Committee. As for reimbursement for travel, I believe this is appropriate, and if Don Klein concurs, Fritz should be reassured.

Sincerely yours,

Max Fink, M.D.
