

January 25, 1966

Dr. Walter E. Barton
Medical Director
American Psychiatric Association
1700 Eighteenth Street, N.W.
Washington, D.C. 20009

Dear Dr. Barton:

Mr. Robinson was kind enough to send me a copy of Dr. Hamilton's remarks at the conference on nosology. I have read these, and believe that I have already taken into account his criticisms in the draft submitted to you earlier this month. Please consider that draft as definitive and discard the copy submitted at the time of the conference.

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
