David N. Pfohl, M.D.  
Associate Medical Director  
Biomedical Products Department  
DuPont  
Wilmington, Delaware 19898

Dear Dr. Pfohl,

I am in receipt of your letters of July 5 and August 14 regarding the unusual experiences reported in patients receiving high doses of naltrexone. Please be advised that I have not prescribed naltrexone for a number of years, and that I have no supplies on hand. I do not recall any similar adverse experiences.

My regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
