Dr. T. A. Ban
Douglas Hospital
6875 LaSalle Blvd.
Verdun, Quebec
Canada

Dear Dr. Ban:

I have recently heard that you have completed a preliminary survey of cyclazocine in the treatment of depression. You know we are particularly interested in this application, and I am writing to ask for a copy of your preliminary report, when that may become available.

Many thanks and my best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
