Dear Nate,

It gives me great pleasure to invite you to participate in a series of resident seminars in psychopharmacology at the New York Medical College on June 14. The seminars are held at the Metropolitan Hospital (97th Street and First Avenue) in the conference room on the 15th floor at 11:00 a.m.

I am enclosing a listing of the seminar titles and we would be pleased to have you discuss "Psychopharmacology Research in Private Practice."

We will defray your expenses and there will be an honorarium.
