Dear Dr. Xue,

Welcome to the United States.

If you can give me a telephone number I can call to discuss your schedule of visits in the United States. Perhaps we can find a place and time to meet and talk about EACT.

Either write to me at my P.O. Box or call 516 444 2929; I am at the University most mornings until 1 p.m.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
