Dear Dr. Levine:

RE: MH-13358-02

During this year we have carried out numerous trials of drugs in volunteer subjects whom we have paid a fee of \$10 - \$20 each session. The amount allocated for 1968, \$1,000 is now expended, and I am writing to request transfer of \$600 from Personnel or Consultation to Out-patient Costs. This is an internal transfer and will not effect the total amount of the grant.

This request is approved by the appropriate official of the College - the Vice President for Government Relations.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
