Dr. Turan M. Itil
Missouri Institute of Psychiatry
5400 Arsenal Street
St. Louis, Missouri 63139

Dear Turan,

Here is half the supply of "Clinical Trial of Navane (Thiothixene) in Schizophrenia." Would you please give some to Dr. Ponce and Ali. I have kept some for Jovan here for answering reprint requests.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
