

April 1, 1964

TO WHOM IT MAY CONCERN:

This is to indicate that Dr. Turan Itil, Principal Research Scientist (EEG), has been assigned responsibility for the supervision of patients in two wards of the Institute building.

In this service, he is required to be available on twenty-four hour call.

In addition, as part of his obligations, it is recommended that he participate in the psychiatric and neurologic teaching programs at both universities in St. Louis.

Sincerely yours,

Max Fink, M.D.  
Director
