Re: Our P.O. 03642, August 4, 1973

Gentlemen:

Please apprise me of the status of the above order for three (3) copies of Recent Advances in Clinical Psychiatry by K. Granville-Grossman.

Hopefully, the order should be on its way to the Department of Psychiatry. If not, please expedite it; it's needed for instructional purposes this semester.

Thank you.

Sincerely,

Max Fink, M.D.  
Professor of Psychiatry
