Dear Dick:

We are not sure as to a specific editorial policy to recommend. The twenty page limitation is a suggestion and I believe that you should use your best judgement in providing a document which reflects your experience and interest. I would very much suggest you use your own judgement in preparing the manuscript. If there are editorial modifications necessary, we can accomplish these relatively easily later.

I look forward to seeing you in Washington.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
