

November 8, 1967

Dr. Albert J. Silverman
Professor and Chairman
Rutgers - The State University
New Brunswick, New Jersey 08903

Dear Al,

While I have known Dr. Kiremitci for some years, our association has been exclusively in the laboratory. We had no medical students in St. Louis; and the residency training was principally by individual lectures.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
