St. Louis, Missouri

Dear Dave:

We were very pleased to have the opportunity to meet your wife and your associates on Saturday. We had a most pleasant evening and I left with a feeling of optimism that there was a role for a laboratory such as the one we are developing. I look forward to working out a collaborative relationship.

I should like to wish you all success in building your new home.

Sincerely yours,

Max Fink, M. D.  
Director
