135 Street & Lenox Avenue
New York City 10037

Dear Ralph,

I was pleased to have an opportunity to revise the chapter on narcotic antagonists for your volume, as there have been some additional data, particularly with regard to naltrexone, which should have been included.

Enclosed is a revised draft of the report for your consideration. I trust it will be acceptable.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
