Dear Joe,

I want to take this opportunity to express my personal thanks for your assistance and efforts in reversing policies of Endo Laboratories in the production of naloxone. Your inquiries served to alert DuPont to the public health importance of this project in a way that we could not accomplish.

Enclosed is a copy of a letter I received from Mr. Jerome Serchuck of Endo Laboratories, confirming that they will supply naloxone for the next phase of the clinical studies.

My thanks for your fine article and your assistance.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
