Dear Arnold:

I regret to report that an IBM Selectric I typewriter, black, Serial No. 4551870 (IAPR No. 1078) was stolen from the laboratories on or about February 17. We have notified the police and carried out our own investigations, and I believe this is a single act.

In early December I requested an IBM salesman to bid on an exchange of this typewriter against a newer model and was told that the maximum value was \$175 as a trade-in.

I trust that this information is sufficient for your records.

My best regards,

Sincerely yours,

Max Fink, M.D.
