Dr. Juan Lopez-Ibor  
Olivos 18,  
Madrid,  
Spain

Dear Dr. Ibor:

The psychiatrists in this Department of Psychiatry are interested in participating in the 1966 World Congress of Psychiatry. I would be grateful if you would send me such information as may, from time to time, become available regarding programs or registrations for this meeting.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
