Dear Gabriele,

It was a pleasure to visit with you on February 21/22. Once again, you are to be commended on the quality of the work that you have shown me. Keep it up! I hope that the discussion was useful.

We have received the reimbursement of expenses in the Betapressin study in the amount of \$7,990. Thank you. I attach a statement of additional expenses for the latest visit.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
