Dear Aaron:

In the past year, since leaving Hillside, I have devoted most of my energies to developing the laboratories and clinical services of the Institute to a level of perfection that would permit research. First, let me thank you for publishing the announcement of the Institute in the Journal.

I am writing because I have not received any recent copies after the April Edition, issue #2. Am I still a subscriber? If not, I would appreciate if you would include the Library of the Missouri Institute of Psychiatry, as I would like to continue to receive the Journal.

Best regards to all my friends.

Sincerely yours,

Max Fink, M. D.
