Mrs. Judith A. Cooper  
19 White Cliff Lane  
Nesconset, New York 11767

Dear Mrs. Cooper,

I regret that there has been some misunderstanding. At the time that Mr. Irwin interviewed you we had not yet clarified whether the position would be part- or full-time. That has since been clarified, and the position that is available is full-time at the Long Island Research Institute.

We have advertised in Newsday this past weekend and we are now in the process of awaiting replies, which will be reviewed by a committee, and those candidates who seem to meet our criteria will be interviewed.

Should you wish to be considered for a full-time position, I should be happy to have your credentials reviewed, among the others, at the committee's meeting next week.

I hope that the facts are a sufficient explanation for any misunderstanding which may have occurred.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
