# “Substance”

GEORGETOWN UNIVERSITY

Carolyn Brehm is currently the Vice President for global government relations at Procter & Gamble. She has previously worked as a Vice President of Orbis International and as a director of Asia Trade Policy and Strategies at General Motors for 14 years.

She attended Georgetown University where she studied East Asian Studies/Chinese. She landed her first job at the US China Business Council where she was then offered a deal by GM to set up GM's first office in China since 1949, when all of the foreign companies exited during the Chinese Revolution.
