Using Bhungroo Yes/No: No

Q1. What work all of you do?

A1. We work at the farm- manual labor.

Q2. Do you work here or in other villages?

A2. Mostly we work in our village. Sometimes we work in the nearby villages- in the big farms. They pick us up and drop us off.

Q3. Do you have land to farm?

A3. Yes 2 vegas each but we don't have the water to plant anything. If we had Bhungroo, it would help us a lot.

Q4. When you go to work on another person's land, do they have Bhungroo?

A4. Some of them do. But most of them have a water well that we use.

Q5. When it didn't rain, how did that impact you?

A5. We didn't have any work because the land was dry.

Q6. What do you do when there is no water?

A6. Nothing. Right now, we have the water stored from the rain, after it finishes- we can't do anything.

Q7. What do you feed the animals?

A7. Neem leaves.

Q8. Do you face any problems with money?

A8. Yes obviously. We don't have money to buy food for our families. When we don't have work, we don't have money then we don't have food. Because of this. Many others who are suffering as well start to beat and rob people to get some money to eat.

Q9. What happened during the last years flood?

A9. The government didn't help us at all. Because of that people have started robbing each other.

Q10. Do your children work?

A10. Kanthibhen: son completed his diplomat in computer science but still doesn't have a job.
Jilaji- has a son in 3rd grade. Amthabhai- I have a son who has a degree in Engineering but doesn't have a job. I also have a daughter who is married now.
